FORWARDED

[REDACTED] OGC/ALD, has asked STAT for OS comments on the proposed Executive Order on the Protection of National Security Information. Since we look at the "whole person" concept, [REDACTED] has included STAT the proposed Executive Order on Employment in the Federal Government. (He is not asking for comments on that one, but feel free to comment anyway if you wish).

These two Orders would replace EO 10450 and would "separate" the issue of suitability for Government employment from the issue of access to classified information.

Comment by COB on 13 October 1983 would be appreciated since [REDACTED] has a short deadline STAT from the Department of Justice.
